

Sketch image showing what the new Eden Walk shopping centre could look like

We would like to invite you to our second public consultation on proposals to regenerate the Eden Walk Shopping Centre in Kingston. Consultation events will be taking place in various locations in the Royal Borough of Kingston in June 2015.

Our vision is to transform the existing tired Eden Walk Shopping Centre to provide new retail, homes, leisure opportunities and offices in the heart of Kingston Town Centre.

Since our last consultation in July 2014, the team – led by British Land and USS, with BDP as architects – has been developing ideas for the regeneration of the site and we would be delighted to hear your views on the plans.

We hope you will be able to join us at one of several events we will be holding across the borough during June 2015, where you can view and discuss the proposals for the future of Eden Walk with members of the project team.

For more details see our website: www.edenwalkregeneration.com

TURN OVER FOR DETAILS OF THE EVENTS AND LOCATIONS
